Sir/Madam:

Re: *United States, et al. v United States Steel Corporation*
Consent Decree 2:12-cv-304, DJ# 90-5-2-1-06476/1
United States Steel Corporation – Gary Works – Semi-annual Progress Report Follow-Up

Pursuant to Paragraph X.60 of the above-referenced Consent Decree, effective March 30, 2017, U. S. Steel submitted a semi-annual report. Section 3.2 of that report stated of the two PCB transformers sent for disposal, "The certificate of disposal for the PCB fluid will be provided when it is received." The referenced certificate of disposal is attached.

Attachment 1 – Clean Harbors PPM, LLC Certificate of Disposal

I certify under penalty of law that this document and all attached were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. This certification requirement does not apply to emergency or similar notification where compliance would be impractical.

Sincerely,

Mark Tabler
Executive Staff Vice President
Global Quality and Manufacturing Processes
United States Steel Corporation
